

## Noval Black Reserve

Porto, Douro, Portugal

### PRESENTATION

Noval Black Reserve is a new way to drink port, a new-age port destined to be enjoyed with dark chocolate or simply drunk chilled, used also as a cocktail ingredient.

A clear expression of the Noval style, no ageing and no decanting necessary. No complications, just a great glass of Port.

### THE VINTAGE

### WINEMAKING

50% of the grapes were trodden by foot and fermented in the traditional "lagares" of the Quinta. The other 50% were vinified by pumping over in stainless steel vats with temperature controlled at 24°C.

### THE WINE

### AGEING

Noval Black Reserve is a blend of wines with an average of 2 to 3 years, aged in wooden and stainless steel vats to preserve its freshness.
