# **ELABORATION**

## WINEMAKING

50% of the grapes were trodden by foot and fermented in the traditional "lagares" of the Quinta. The other 50% were vinified by pumping over in stainless steel vats with temperature controlled at  $24^{\circ}$ C.

## THE WINE

#### BLEND

Touriga Nacional, Touriga Francesa, Tinta Roriz, Tinto Cão and Sousão predominate among the traditional grape varieties of the Demarcated Region of the Douro Valley.

### AGEING

Noval Black Reserve is a blend of wines with an average of 2 to 3 years, aged in wooden and stainless steel vats to preserve its freshness.

## TERROIR

Some of the grapes come from the Quinta do Noval vineyard, the rest from A-rated vineyards at the heart of the Douro valley.
