

DOMAINE DE L'ARLOT

Les Suchots, 2023

AOC Vosne-Romanée Premier Cru, Bourgogne, France

Finesse, richness, complexity and harmony all come together and unite to show how complete this exceptional wine is. An iron hand in a velvet glove, it describes the fullness of the Pinot Noir with exceptional distinction, expressing a taut nervosity before resonating with richness and elegance. Its aromas evolve harmoniously with age. When young, the wine offers floral notes mingled with raspberry, morello cherries and blackcurrant. With time the aromas evolve and develop towards spices, liquorice, undergrowth and leather.

THE VINTAGE

WEATHER CONDITIONS

The weather was constantly changing throughout the year, with great seasonable variability: a mild winter, an early spring with temperatures "yo-yoing" in a generally cooler atmosphere. The bunches emerged beautifully, heralding a generous harvest. The summer was rainy with unstable weather prevailing until 15th August. The sun finally returned, providing the high temperatures necessary for the grapes to ripen. Like our 2022 vintage, our traditional Burgundy grape varieties have retained surprising acidity.

HARVEST

The harvest took place from 6th to 12th September under clear blue skies. White grapes were collected in the morning to preserve their aromas. The estate's yield is 43 hectolitres per hectare.

WINEMAKING
